*141 scholarships: 81 sponsored by P.O.R. Sardegna F.S.E. 2007-2013  
16 for international students*

The University of Cagliari has published the announcement for the admission to the PhD programmes, XXVIII cycle, for the Academic Year 2012/2013.

In order to be admitted to PhD courses, candidates must take part to a public competition: deadlines for application is 29.11.2012.

Are available 141 scholarships, among them 81 scholarships are funded by the program P.O.R. Sardegna F.S.E. 2007-2013. The 81 grants are assigned only to those candidates who meet the requirements reported in the announcement and:

- 1) reside in Sardinia from 5 years;
- 2) their parents are Sardinian residents from 5 years;
- 3) are children of Sardinian emigrants.

This grants are intended for the training and education of highly specialized HR units, in the following fields of expertise: ICT sector, nanotechnologies and biotechnologies, energy and sustainable development, agribusiness and traditional materials.

In order to apply candidates must follow the on-line procedure within the deadline of 29.11.2012, available at <https://webstudenti.unica.it/esse3/Start.do> .

Call for applicants, information regarding the online registration and scholarships are available at <http://www.unica.it/dottorati> .
